### Borough • 3 mins walk

Turn right at the exit and walk down Borough High Street. Turn right onto Great Suffolk Street and then right again onto Toulmin Street. The training centre is in Unit 5.

### London Bridge • 8 mins walk

Exit the platform following signs for Borough High Street. Exit at street level via the exit signposted as Borough High Street (West Side). After exiting the station, cross the road (Southwark Street) using the pedestrian crossing and immediately after the crossing join Borough High Street (to your right). Continue walking down Borough High Street until you turn right onto Great Suffolk Street and then right again onto Toulmin Street. The training centre is in Unit 5.

### Waterloo • 9 mins walk

Make your way to the main platform of Waterloo British Rail station. Immediately opposite platform 4 is an exit leading to Waterloo Road. Take the escalators down to Waterloo Road and as you leave the station turn right. As you walk from the station you will see Sainsbury's on the other side of the road and The Old Vic Theatre. Cross the road at the pedestrian crossings to get to the Old Vic Theatre. Just past the theatre is Webber Street, walk down Webber Street until you reach Great Suffolk Street. Turn right onto Great Suffolk Street and then after a couple of minutes turn left onto Toulmin Street. The training centre is in Unit 5.
